

## PICK-ME project

### Minutes of the meeting held in Turin, June 20<sup>th</sup> and 21<sup>st</sup>, 2012

The third formal meeting of PICK-ME project partners took place in Turin, Italy, hosted by the project partner institution Fondazione Collegio Carlo Alberto. The meeting started at 01.0 pm on June 20, and ended at 12.15 pm on June 21. All the partners and the steering committee participated to the meeting.

The list of participants who were attending the meetings is the following:

**CCA:**

Cristiano Antonelli  
Francesco Crespi  
Claudio Fassio

**UU:**

Ron Boschma  
Riccardo Cappelli

**UNS:**

Jackie Krafft  
Francesco Quatraro

**LSE:**

Simona Iammarino  
Luisa Gagliardi

**CSIC:**

Cristian Matti

**CASE:**

Itzhak Goldberg

**UHOH:**

Andreas Pyka  
Pier Paolo Saviotti  
Matthias Muller

**SNI:**

Daphne Getz  
Amnon Frenken

At 1 pm Cristiano Antonelli welcomed all the participants at the meeting and left the floor to the first presentation.

The first presentation was delivered by Amnon Frenkel (SNI), who provided an in depth description of the work conducted by SNI in collaboration with the other partners involved in WP2, by presenting in

detail the deliverables 2.1 and 2.2 which all the partners and the members of the steering committee received by email before the meeting. A general discussion then followed, in which the participants and the members of the steering committee validated and approved the documents.

The second presentation was delivered by Jackie Krafft, who illustrated in detail the work conducted by the GREDEG in collaboration with the other partners involved in WP3, by presenting the deliverables 3.1 which all the partners and the members of the steering committee received by email before the meeting. A general discussion then followed, in which the participants and the members of the steering committee validated and approved the documents.

After the break, Ron Boschma (UU) presented the plan for the research activity which is foreseen in WP5, which has started a few months ago.

Then, Simona Iammarino (LSE) presented the plan for the research activity which is foreseen in WP6, which has started a few months ago.

Finally, Cristian Matti (CSIC) presented the plan for the research activity which is foreseen in WP7, which has started a few months ago.

On the second day the meeting started at 9.00 am. Cristiano Antonelli and Claudio Fassio discussed the research activity conducted within the context of the WP4, the progress of which is at a rather advanced stage.

Before the break Itzhak Goldberg illustrated the activity that CASE is carrying out in WP8, which is related to the extraction and systematization of policy issues and solutions in a demand driven perspective.

After the break a consultant company, EU Core, has presented upon invitation of the coordinating partner instructions and suggestions for the correct implementation of the administrative tasks.

The steering committee met at the end. Provided the delegations, the meeting quorated. The members with one accord voted expressing a positive evaluation of the deliverables 2.1, 2.2 and 2.3, which had been provided before the meeting and presented through the meeting. The steering committee appreciated the quality of the deliverables and recommended at the authors to submit to journals and publishing companies the material in the appendix so as to favor dissemination and widespread use.

The meeting then ended at 12.15.
